Section No. 40

To

Secretary to the Government of Mysore,
Financial Department, Bangalore.

SIR

In inviting kind reference to Government Order No. F-[illegible] / Muz. 38-20-19 dated 14th October 1920 regarding the investment of Rs 7,50,000/- out of Muzrai Funds in 6% State Loan, I am directed to state as follows:-

A rough copy of the draft Government Order referred to was received in this office on the 30th September 1920 vide D.O. letter dated 30th September 1920 from Mr. Srikantaiya Iyengar, the Under ~~Assistant~~ Secretary, Muzrai Department and subsequently deputed to investigate the balances at the credit of the several Muzrai Institutions.

In para 4(b) of the proposed Government Order, it was stated that Rs 50,000/- should be invested out of Puduvat Funds held in Savings Banks Accounts and it was not clear from this if this sum was in addition to the amounts already transferred by Amildars from Puduvat Funds which were being included in the General collections to loan in the daily collection statements submitted to Government. To clear the doubt, reference was made to the Muzrai ---

[illegible] ... 19[illegible]

[illegible] letter [illegible] investment of [illegible] fund in the [illegible] was that reference, [illegible] it is understood that the [illegible] been effected [illegible] the order and are therefore [illegible] letter [illegible] of the above order, on the 9th [illegible] ... 7,5,000/- would also include [illegible] loan account had before this date [illegible] a separate ledger account of the same.

The question of allocating the [illegible] Department, having regard to the [illegible] Secretariat, the then Muzrai Commissioner, [illegible] additional sum of 50,000/- along with my letter No.[illegible] 1993, a copy of which was forwarded to you [illegible] December 1992. The Muzrai Commissioner [illegible] transferred inform you that he is unable to [illegible] definite orders of Government in the matter. (Vide No.M.313 of 92-93 dated 17th January, 1993 from the Muzrai copy enclosed).

I therefore request you will kindly obtain orders expediting this transfer of 50,000/- from Kuluwat in addition already ordered to be invested in the Government Order 1990.

As the Muzrai Commissioner in his letter No.M.313 of the 21st February 1993 (copy enclosed) states that it [illegible] for him to fix up amounts that can be contributed from the cash balance Muzrai institutions, only after the question of the contribution of Rs. 50,000/- is decided. I solicit early orders.

I have the honor to be,
Sir,
Your most obedient servant,

J Satyendra Thera
Comptroller.

Extract of para 3 from letter No. C.[illegible] dated [illegible] January 1923 from the Huzrai Commissioner in Mysore to the Comptroller in Mysore.

3. On page 4 of the reference under reply, to which the Government Order No.1108-17/ Huz.75-22-1 dated 11th October 1920 directing the investment of Huzrai funds in the loan of 1920, has been understood in your office "to mean that Huzrai investment of 7,50,000/- is exclusive of the amount temporal by Amildars and Deputy Commissioners from Puduvat funds as these had been transferred to the loan account within the period of the loan operations." And further in these circumstances it is suggested that an additional sum of 50,000/- may be transferred to loan from Puduvat funds. In para 4(b) of the said Government Order the item of 50,000/- out of Puduvat funds held in the savings bank is given as a component part of the total of 7,50,000/- from Huzrai Funds. Neither in this order nor in the Government Order No.699-38/ Huz.75-22-1 dated 7th August 1922 giving instructions in the matter of adjustments of loan applications from Puduvat funds is to be found any indication in support of the view held by you that the contribution from the Puduvat amounts is to be in addition to the 7½ lakhs from Huzrai funds. On the other hand, in para 5 of the latter Government Order, it is stated that "the full amount of 83,175 will not be accepted, the excess being reduced out of the amount fixed for investment out of the cash balance of Huzrai Funds." Thus I hope it will be seen that without express orders of Government it will not be possible to transfer an additional sum from Puduvat funds as requested. It may well be that the difficulty felt by the Accounts Office in the matter, if placed before Government, may cause orders to be passed on the lines suggested by you

and so, I request that you will be so good as to communicate the position to the Revenue Secretary to Government soliciting orders.

---

Letter No.C.313 of 28-29 dated 21st February 1929 from the Muzrai Commissioner in Mysore, Bangalore, to the Controller in Mysore, Bangalore.

---

Adverting to your letter No.SL 3301 dated 8th February 1929 making certain suggestions for finally allotting the contributions from cash balances and Puduvat funds for the Muzrai investment of Rs.7,50,000/- in 6½% State Loan, I have the honour to state that as noted in para 3 of your letter it seems to me to be desirable that you should obtain the sanction of Government in respect of the contribution of Rs.50,000/- from Puduvat funds since you are in a position to represent best to Government the great difficulty in accounts that will be experienced unless the existing orders are suitably modified.

Regarding details of contributions from cash balances, kind attention is invited to this office memo No.313/28-29 dated 5th instant forwarding copy of letter addressed to the Deputy Commissioners of Districts together with a statement of amounts reckoned for investment from cash balances of major and minor institutions. On receipt of a further communication from you after obtaining orders of Government in the matter referred to in para 1 above, it will be possible for me to say definitely the amount that can be contributed from the cash balances of institutions.
